Registration for summer school 2021 begins on April 19, 2021 for all students and continues until the first day of classes. You do not need an alternate pin to register. For questions about externships, contact

Professor Neptune. Note that your externship placement must be secured, and you must be registered for the externship class by May 12, 2021. Students must be registered by the Records team at huslregister@gmail.com for all externships. Students, your professor will provide the approved student list to Records. Late registration may negatively impact your receipt of financial aid. Students should endeavor to be registered by May 10, 2021 to avoid aid problems. It is important that, if you fall below the academic probation minimum GPA of 75 after your Spring 2021 grades are posted in June, you may be ineligible for financial aid and will likely have to appeal your eligibility for aid through the SAP process. In this appeal, it is possible that you are ineligible for aid. If this is the case and you must drop the course due to inability to pay, ensure that you meet the withdrawal deadline. Moreover, if you are contemplating dropping a summer class, be sure not to spend your aid disbursement as you will be required to pay it back. If you have registration questions, contact huslregister@gmail.com. If you have disbursement questions, contact bursarhelp@howard.edu. More information about financial aid will be provided by the West Campus financial aid advisor, Ms. Mia Inskeep, as soon as it is available. Ms. Inskeep can be reached at finaidlaw@howard.edu.
