PRO BONO PROGRAM®

The Veterans Consortium (TVC), the Neighborhood Legal Services Program (NLSP), and the Washington DC VA Medical Center are partnering with Howard University School of Law and local corporate counsel legal departments to staff The Veterans Pro Bono Legal Clinic every Friday.

- Volunteer attorneys will be working with volunteer law students to interview veterans and triage cases, offering an excellent opportunity to mentor future lawyers.
- Volunteers will receive training materials from The Veterans Consortium legal staff.
- The Veterans Consortium will advise the project.

Student Shifts Available Every Friday!

Every student volunteer must commit to one 4.5-hour shift, beginning at 9:30 a.m. until 2:00 p.m.*

Student volunteers collect client data for triage and conduct issue spotlighting and legal referrals in the following practice areas:

- Veterans Law • Military Discharge Upgrade Matters
- Family Law • Consumer Law • Landlord /Tenant Law
- Employment Law • Benefits Claims

Volunteers must complete the training provided by pro bono attorneys on hand at the Center before each session.

Travel from Howard University School of Law to the Center will be funded by the sponsors. Volunteers will receive an Uber code which can be used to pay for the entire cost of the trip to and from the Center.

** A supervising attorney will be on hand and available to sign New York Pro Bono Requirement Affidavits.*
