

Final Examination Schedule

You may seek an alternative exam day **only** if you have more than one exam scheduled on the same day. Contact Dean Olivares via email and cc Academic Affairs Coordinator Coviece Marshall, **by the deadline (Wednesday, January 26)** if you seek an alternative exam date. When you email for an alternative exam date, send ***your entire final exam schedule with course titles, professor names and exam dates*** so that we can assign an alternative exam date. Students given an alternate exam date can expect to take the alternate exam on any of the test dates during the final exam period. Alternate dates are based on capacity and personnel availability, not on student preference. Alternate exam dates are for upper-level students and are not provided for personal or professional conflicts. You will be given your alternate exam date as soon as possible after the deadline.

Take home exams will be provided on or before April 25 or as provided by your professor. Take home exams will not create an exam conflict. If you have any questions, please email your professor and Dean Olivares as soon as possible.
